# AUTHORISATION FOR A MINOR TO DRIVE THE LARGE KARTS

**Minors only:** this authorisation is only for minors who will drive the large karts (Honda 270 cc, adult circuit). The other attractions do not need it. Signing it does not guarantee the minor will be allowed to drive: the premises decide on the day. **How to submit it:** printed and signed by hand by the father, mother or legal guardian, at the ticket office; or by email, only to admin@kartingminilandia.com, stating the day of the visit: signed by hand and scanned or photographed (all of it legible and the signature visible) or with a valid electronic signature (digital certificate, electronic ID card or similar). A typed name or a pasted image of a signature is not valid. If the signatory is not coming with the minor, attach a photo of their ID/NIE/passport, only to check the signature.

I, _____, holder of ID/NIE/passport no. _____, contact telephone _____, as ☐ father ☐ mother ☐ legal guardian of the minor _____, born on _____, who wishes to take part on _____ in the large karts, **HEREBY DECLARE:**

**1.-** That I exercise parental authority or guardianship over the minor. If another person also exercises it, I declare that I have their consent to this authorisation or that the law allows me to give it on my own. I am not aware of any court order or objection that prevents it.

**2.-** That **I EXPRESSLY AUTHORISE** the minor to take part in the large karts activity (Honda 270 cc karts, adult circuit) of GALIENO S.L. (Karting Minilandia) on the day stated. The authorisation is valid only for that activity and that day, and I may withdraw it at any time before the minor gets into the kart. I have explained it to the minor, who agrees.

**3.-** That I have been informed that the large karts are an adult circuit and vehicles designed for adults, and that the cover of the premises' insurance may not extend to the minor as a driver of them; the premises do not guarantee that it does. For that reason the authorisation must be given by the minor's father, mother or legal guardian.

**4.-** That, to the best of my knowledge, the minor has no injury, illness or physical or psychological limitation that prevents safe driving of a kart of this type, and has not taken alcohol, drugs or medication that affect the ability to drive. I undertake to tell the staff before the minor gets in if this changes or if I have doubts. I have read the premises' safety rules and explained them to the minor, who undertakes to follow them, to use the protective equipment provided and to follow the instructions of the staff and the track marshal.

**5.-** That I am aware that driving a kart involves risks inherent to the activity (collisions, running off the track, knocks, falls) which cannot be completely eliminated even when the rules are followed, and I accept them on the minor's behalf.

**6.-** That I understand that signing this authorisation does not guarantee that the minor will be allowed to drive. The premises, through the ticket office or the track marshal, decide according to the minor's age, height and fitness, and may refuse the minor or remove them from the track at any time for safety reasons. In practice, it is very unlikely that a minor under 15 will be admitted. If the minor does not drive because of that decision, the premises will refund the unused session or exchange it for another attraction, at my choice.

**7.-** That this authorisation is not a waiver of the right to claim and does not release the premises from the liability the law attributes to them (for example, for faults in the kart or the facilities, or for lack of diligence by the staff). Nor does it limit the rights the law grants the minor and their family as consumers.

**8.-** That I authorise the staff to check my identity against my identity document and, if I have sent this authorisation by email or am not present, to call me on the telephone number given to confirm it.

## 9.- PERSONAL DATA PROTECTION

In compliance with Regulation (EU) 2016/679 (GDPR) and Spanish Organic Law 3/2018 (LOPDGDD), the signatory is informed of the following about the data in this document, their own and the minor's:

**Data controller:** GALIENO S.L. (Karting Minilandia), Tax ID B58259078, Autovía de Castelldefels, km 12,600, 08840 Viladecans (Barcelona). Privacy contact: admin@kartingminilandia.com.

**Data processed:** the signatory's (name, identity document, telephone number and signature) and the minor's (name and date of birth), as given in this document, and the declaration on the minor's fitness in point 4, which may be considered health data.

**Purpose:** to verify and record that the person holding parental authority or guardianship authorises the minor, to decide the minor's admission to the large karts, and to handle or defend possible claims. They will not be used for advertising or any other purpose.

**Legal basis:** processing the request for the minor to take part in the activity (Art. 6(1)(b) GDPR); the legitimate interest of GALIENO S.L. in proving the authorisation and defending itself against claims (Art. 6(1)(f)); and, for the fitness declaration, the signatory's explicit consent (Art. 9(2)(a)), given by ticking the box below and which may be withdrawn at any time; if withdrawn, the minor will not be able to drive. Withdrawal does not affect processing already carried out, and the data may be kept if needed for claims.

**Recipients:** the data are not disclosed. Only service providers of GALIENO S.L. (email and storage) have access, as processors; its insurer and broker, if there is an incident or claim; and courts, authorities and law-enforcement bodies where the law requires. They are kept with access restricted to authorised staff.

**Retention:** 5 years from the day of the visit, then destroyed. If there is an incident or a claim, until it is resolved and the limitation periods have expired.

**Rights:** access, rectification, erasure, objection, restriction of processing and portability, by writing to admin@kartingminilandia.com and proving identity. A complaint may also be lodged with the Spanish Data Protection Agency (www.aepd.es).

☐ **I give my explicit consent to the processing of the fitness declaration in point 4, for the purposes stated.**

In witness whereof, I sign this authorisation.

At _____, on the _____ day of _____, _____

**Signature of the father, mother or legal guardian:**
